Nikischer-Anderson Vow Pledged

A double-ring ceremony at the Carmel Church, Calif., recently, solemnized the marriage of Miss L. Nikischer, youngest daughter of Mrs. Nancy Anderson, to John William Anderson, of York State, U.S.

The bride wore a grey suit with accessories. She carried orchids.

Following the reception at the club, Oakland, Calif., the bride and groom were seated at a table which was graced with a three-tiered wedding cake.

Miss Caroline Anderson of Edmonton attended her sister's wedding.

Mr. and Mrs. Ritter To Live In Ontario

HYLO.—First to wed in the new church were Miss Katherine Sawchuk and Henry Ritter, who were united in marriage in a recent double-ring ceremony by Rev. Kushnerik.

The bride is the daughter of Mr. and Mrs. T. N. Sawchuk of Hylo, and the groom is the son of Mr. and Mrs. Ritter of Lisburn.

Summer flowers and lattice work decorated the church for the occasion.

The bride was given in marriage by her father, and for her wedding she chose a full-length gown of taffeta and nylon net, with a redingote of chantilly lace which gracefully flowed into a full-length train.

A pearl headpiece held in place her finger-tip veil, and she wore as her only jewelry a pearl necklace, a gift of the groom. A cascade of red roses and white stephanotis formed her bridal bouquet.

Bridesmaids were Misses Sylvia and Sonia Sawchuk. They wore coral and turquoise blue dresses of taffeta and net, and each carried a nosegay of white stocks, centred with a red rose.

Her flower and petal girls, Gracie and Edna Strachuk, wore dresses matching the bridesmaids.

Gus Ritter attended the groom, and Albert Strachuk was usher. Miss Betty Sawchuk was accom-

GRASSLAND.—An interesting wedding took place recently, when Miss Doris Korchak of Newbrook was united in marriage to John Bluda of Grassland.

The ceremony took place at Prosperity.

Attending the bride were Misses Muriel Dytiuk, Annie Fedun, Olga Dutchak, Olga Burke and Annie Aleksuk.

Attending the groom were Nick Bluda, Walter Aleksuk, William Daviduk, Bill Sworin and John Poterucka.

A reception was held at the home of the groom's parents, north of Grassland.

The happy couple will reside at the home of Mr. and Mrs. Andrew Bluda, parents of the groom.

Accompanied in her selection "A Wedding Prayer" by organist Mrs. Sherstan.

For her daughter's wedding Mrs. Sawchuk wore a pale blue linen dress with white accessories. Red roses formed her corsage.

The groom's mother chose navy with white accessories. Her corsage was of red roses.

Following the wedding ceremony a garden reception for 100 guests was held at the bride's home. The bride's table was centred with a three-tiered wedding cake and bouquets of summer flowers.

For her going away outfit the bride wore a rose suit with white accessories, with corsage of pale pink carnations.

After a motor trip to Banff and Jasper, Mr. and Mrs. Ritter will make their home in Ontario.

He is a member of the Canadian Legion, and will transfer his membership to the Lac La Biche branch.

Oscar Boucher's Funeral Held

KIKINO.—The funeral for Oscar Boucher of Kikino, age 21 years, who drowned in the Beaver River Sept. 10, was held Sept. 22. Burial was made in the Kikino cemetery.

The pallbearers were Gilbert Ladouceur, Tony Beareard, Andrew Gairdner, Edward Bellerose, Raymond Bellerose, and Harrison Cardinal, all of Kikino.

He leaves to mourn his passing his parents, two sisters and one brother in Kikino, and five other sisters, Mrs. Nap Callion of Cork, Mrs. Alex Woods of Saddle Lake, Mrs. Robert Calliou of St. Albert, Mrs. Archie Cunningham of St. Albert, Mrs. Solomon Tremblay of Kikino, and brother Ned of Ontario.

Mr. and Mrs. Archie Cunningham of St. Albert came down for her brother's funeral, but they were about five hours too late.

Streets In Good Shape

LAC LA BICHE.—With the gravelling program completed for this year, the Town has better streets to travel on than before the water and sewerage project was started three years ago. A good job has been done of maintenance, and streets and roads are in good shape in spite of continued wet weather this past summer.

Latest gravelling project has been to prepare the new curling rink for flooding when winter weather sets in.

\$200,000 For New Provincial Building

LAC LA BICHE.—It is hoped that tenders will shortly be called for the new Provincial Building to be erected here. Unofficial estimated cost of the structure is set at \$200,000.

Site is on the corner directly opposite the Lakeview Motors and diagonally opposite Lett's New and Second Hand Store.

the Reserve Champion ribbon. The Bashaw entry had the same total score but one-tenth less in flavor was the deciding factor.

In Class 53, Section 1, one 14-pound box, June make, the following were in first prize groups: Silverwood Dairies, Ltd., Edmonton; Northern Alberta Dairy Pool Ltd., Peace River.

Second prize winners included: Northern Alberta Dairy Pool Ltd.,

Fall Program On District Roads

LAC LA BICHE.—The Department of Municipal Affairs has been busy in the district putting gravel on the Big Bay road. This is the district highway to Barnegat, north of Lac La Biche.

More Hook-ups For Water and Sewer Ordered

LAC LA BICHE.—The Provincial Government has asked for water and sewer service lines to be run to the site of the new Provincial Building.

Another eight or ten applications are also in hand, which will be attended to this fall, if the equipment is available and weather permits. Otherwise the work will have to hold over until the spring.

Lake Winnipeg is larger than Lake Ontario and almost equals Lake Erie in area.

TEACHERS TO HEAR LEADING EDUCATIONALISTS AT MEETINGS

EDMONTON (BUP).—The Alberta Teachers' Association has invited eight leading educationalists to speak at 14 conventions scheduled from Oct. 4 to Nov. 5. The conventions, to be held on a province-wide scale, will be attended by teachers from surrounding school divisions and districts.

The first convention will be held in Grande Prairie on Oct. 4 and 5. Teachers from Grande Prairie town, the county of Grande Prairie, and East Smoky and Spirit River School Division will attend.

Those invited to speak at the conventions include Dr. Fred P. Barnes, associate professor at the College of Education, University

of Illinois; dean of the Faculty of Education, University of Alberta; N. V. Scarfe and R. Odell, professors of education at Stanford University.

AFA PRESIDENT SEEKS CASH PAYMENTS FOR FARMERS

EDMONTON (BUP)—The president of the Alberta Federation of Agriculture wants the Federal Government to examine the possibility of immediate further payments on grain delivered in the last crop year.

The farm leader—Roy Marler—says the government should also provide some means of credit which could be based on grain, livestock and other assets.

Marler has also urged the Alberta government to back the request for aid for farmers. He says the province should review its own responsibility and explore any possibilities for seeing that enough seed is retained for next year.

The farm leader says if credit is not made available to farmers some may find it impossible to meet current expenses and dispose of grain which should be retained for feed and seed. He says very little of this year's crop will be of any use for seed purposes.

The AFA president says that yields from a line east and west through Calgary to the northern

border will be cut by 35 per cent by recent frost damage. He says that not more than 25 per cent of the crop was ripe when the heavy freeze came and the grade is reduced in most cases to feed grades. In many instances, says Marler, the crop will not be worth the expense of combining.

Mines Production Generally Up

Production of minerals and allied resources in Alberta showed general increases in the first half of this year, according to statistics released recently by the provincial bureau of statistics, a division of the department of industries and labor.

Petroleum production of 39,020,940 barrels in six months shows a 23 per cent increase over the corresponding period a year ago, while the value of sales is placed at \$102,247,346 for an increase of more than 36 per cent.

Natural gas production for the six-month period was up more than 25 per cent at 70,199,440 MCF.

Exports of crude and refined petroleum reached 1,225,478,556 gallons in the six months, an increase of more than 55 per cent, while imports dropped two per cent to a total of 31,108,088.

Production of refined petroleum products in the province to the end of June totalled 337-

329,079 gallons, an increase of more than two per cent.

Gross sales of refined petroleum products in seven months totalled \$68,248,961, compared with \$61,860,116 in the corresponding period of last year.

Sulphur production was up more than nine per cent for the period, at 11,345 tons, while sulphur sales in the seven months increased almost 59 per cent to 9,728 tons.

Gross sales of clay products were placed at \$1,614,489, an increase of more than 14 per cent over last year.

Cement production and value were down slightly for the period. Production totalled 1,755,037 barrels, a decrease of 5.67 per cent for the seven-month period, while the value dropped 6.34 per cent to \$4,454,145.

Lime production increased almost 17 per cent to 12,400 tons, valued at \$177,433, a nine per cent increase, while gross sales increased almost 19 per cent at \$262,787.

Salt production was up 13.5 per cent for a seven-month total of 15,664 tons, while coal production continued its decline, showing a 14 per cent decrease for the period to 2,596,375 tons.

Hospital Deficit Up

EDMONTON (BUP)—Edmonton's Royal Alexandra Hospital has cost more than \$1,730,000 to operate so far this year.

The figure is more than \$300,000 higher than for the same period of 1953, and the hospital's deficit has increased by more than \$90,000 to a total of \$108,000.

The superintendent, Dr. D. R. Easton, says the deficit has been affected by wards being closed due to construction and the failure

of fixed fees paid by the provincial government to meet higher costs at the maternity wing.

A Fish Is a Fish— Is a Fish?

It may not be part of the rules of the game, but a fish is a fish no matter how you catch it.

At least, that's the way Aaron Kelly, Harry Stephenson and Bobby Wagoner look at it.

They live at Bossier City, Louisiana, which has been hit by a drought. As a result, nearby lake waters have dropped greatly.

So, when the three fishermen drove out to Lake Bistineau, they caught their catch with their bare hands.

They just walked into a nearly dry portion of the lake and scooped out seven catfish, each weighing between 25 and 30 pounds.

Canada Again In Spotlight

Several articles featuring Canada have appeared recently in leading mass circulation American magazines. For the most part these have featured our booming industrial and mining develop-

ments, or have concentrated on our regional tourist attractions.

The current issue of Coronet Magazine offers a most welcome relief to this type of magazine reporting with its magnificent 16-page picture panorama on our land. The article in question, titled "This is Canada" instead of reporting specifics, depicts the Canadian scene and way of life with a series of thirty outstanding candid photographs, accompanied by brief but pungent captions.

The result is an informative and entertaining coast-to-coast picture tour of our land, its people, customs, and living conditions.

In the words of Coronet's editor, it is "A tribute to our northern neighbour, whose power and enterprise make her one of the history-shaping nations of the world."

"This is Canada" is recommended reading for all Canadians.

Described in a leading magazine as "the most potent evangelist in American history!"

Twins Celebrate Tenth Birthday

—WILLOW RIDGE— Alva and Alvin, twins of Mr. and Mrs. A. Howard, celebrated their 10th birthday, September 26 with a mixed party of about 30 guests.

A happy time was spent playing games followed by a delicious lunch. A wiener roast and two birthday cakes highlighted the afternoon.

Out-of-town guests were the twins' sister, Betty, and their aunt and uncle, Mr. and Mrs. D. Lafayette, Miss Shirley Johnson and Mrs. Sanstrom with her two grandchildren, all of Edmonton. The latter being week-end guests of Mr. and Mrs. C. Yarish.

Wed At Strathearn United Church

PERRYVALE — A pretty wedding was solemnized at Strathearn United Church, Edmonton, August 20 at 2:30 p.m., when Miss Beatrice Holmes, Perryvale, became the bride of Arthur Downie, son of Mrs. D. Downie of Edmonton. Rev. Boorman performed the ceremony.

Given in marriage by her father, the bride wore a floor length gown of white net full over taffeta. Her finger tip veil was held in place by a coronet, and she carried a bouquet of red roses and stephanotis.

Miss Shirley McFarquhar was bridesmaid, and wore an ankle-length dress of blue nylon with matching bandeau in her hair and carried a bouquet of red carnations.

Claude Boone was best man. Following the ceremony, a reception was held at the home of

the best man, Mr. and Mrs. Boone.

The bride's mother received wearing a dress of navy crepe with white accessories and corsage of red carnations. The groom's mother wore a dress of white silk linen with accessories to match and corsage of pink roses.

Toast to the bride was proposed by G. Holmes.

A wedding dance was held in the evening in Perryvale Community hall.

For a honeymoon to Isle Lake Lodge the bride donned a rust-colored costume with white accessories.

Mr. and Mrs. Downie will reside in Edmonton.

If all the Federal government's civilian employees — 319,565 as of August, 1953 — were gathered in one city it would rank as the fourth city in Canada. And their dependents and you'd have Canada's No. 1 centre, population wise.
